To Whom It May Concern

I highly recommend **Mahmudul Islam** for any future employment opportunities. *Mahmudul* has a **BSc (Eng.) in Electronics & Communication Engineering** from **Khulna University of Engineering & Technology (KUET)**. He has excellent communication skills and are able to work effectively in a team environment.

Mahmudul has a strong passion for up to dated technology related field, and his enthusiasm for learning and discovery is infectious. He consistently sought out opportunities to deepen his understanding of the subject matter and applied that knowledge for relevant works.

Overall, *Mahmudul* has the skills, experience, and character to excel in a variety of roles, and I have no doubt that he would make a valuable contribution to any team. I wish him Best Success in life.

Sincerely,

26.11.2021

Md. Mehedi Hasan
